Note:

1. Although submission of entrance test scores generally is required in the admission process, in each entering class, there were a small number of students who were admitted without entrance test scores. Therefore, the number of SAT scores plus the number of ACT scores does not equal the total class size.
2. The highest SAT is compared to the highest ACT and only the better score is retained.
*Hig RG1. I BSSt be availabfor each student in the class. Therefore, the sum doesSt reflect the
